

Waverly United Methodist Church

Mission Scholarship Application

In an ongoing effort to support members in the call to missions, the Waverly United Methodist Church committee for Missions/Nurture and Outreach endeavors to create an ongoing mission scholarship fund.

Applicants are encouraged to apply for the scholarship as soon as possible when a mission trip is planned. They will need to know the dates and projected costs as well as all other sources of funding anticipated.

Applicants are encouraged to participate in other fund raising efforts and may contact the Missions Committee to help support them in these endeavors; ex: ice cream social, car wash, dinner, etc. If money is awarded/raised by the committee and the trip is cancelled, all monies must be refunded.

Scholarships will be awarded based on available funds at the time of application. The Missions Committee will allocate 30% of the money available in their budget on March 31st and September 30th each year for scholarships.

Example: On March 31st the Mission/Nurture and Outreach committee has \$1,000.00 balance in their account. 30% is allocated for mission scholarship - \$300.00 is available to be awarded. Six members of the church are going to Kentucky and each is requesting scholarship assistance, the committee awards \$50.00 to each. On September 30th there is \$300.00 available and only one applicant, applicant is awarded \$300.00.

There are two application deadlines: March 31st and September 30th.

Applications should be submitted by the appropriate deadline so the committee has time to review them and authorize grants by the time they are needed.

The Scholarship Committee will award grants until the funds are exhausted. To maximize the number who can benefit from the program, applicants are asked to request funds only every other year.
